RE: Winter/Spring 2019 AIDB ASL Class Schedule

Happy New Year everyone! I am sending you this memo to inform you about the American Sign Language (ASL) classes that will be held on the E. H. Gentry campus, next to Grider Hall, Deaf Services, ASL classroom. I will be teaching ASL starting Monday, January 14 – Friday, May 17, 2019. All classes are open to the employees to take and complete the units for ASL 1, 2, 3 (Classifiers), and Review. I will be using the **ASL at Work** book and some supplements from the other ASL books. It is recommended that you buy the **ASL at Work book/DVD** for more practice in and outside the class.

Although these classes are not a requirement, they are being offered for your benefit. You can take one or two classes a week. Some employees took two classes a week for more practice. You will learn more basic ASL communication, understand our Deaf Culture, play sign language games, and scenarios. You can borrow DVDs, videotapes, and books from my office. In addition, I will have **Silent Lunch** on Fridays starting Friday, January 18th in the Deaf Services, next to Grider Hall, Common Area from 12-1 PM. Bring your lunch and we will have fun practicing signing in ASL. Please bring your ID when you come in to check out the DVDs, videotapes, books, attend my classes, or *Silent Lunch*. If you have any questions, you can contact me at (256) 474-0670 (Videophone) or e-mail me at gilbert.dana@aidb.org. I am looking forward to teaching and helping you learn ASL. I hope to see you in class and *Silent Lunch* soon! 😊
